Upon request or as necessary, IHFA refers participants to fair housing resources. 8. Conduct a feasibility analysis for implementing a Housing First program with a potential for allocating Project-Based Vouchers. <ul style="list-style-type: none"> • IHFA plans to conduct an analysis of the need for a Housing First program which may utilizes project-based Vouchers. • If such a need exists, IHFA may develop and implement a pilot program which may include project-based vouchers as one component of the program. Project-based vouchers will not exceed 20% of budget authority and will be located within IHFA’s Housing Choice Voucher jurisdiction. <p>Previous Goal Progress Summary:</p> <p>Idaho Housing and Finance Association (IHFA) actively pursued the goals outlined in its Five-Year Plan for the fiscal years 2010-2014.</p> <p><u>Expand the Supply of Assisted Housing</u> – IHFA has applied for additional vouchers when funding was made available for appropriate programs and has increased its voucher baseline from 3,147 to 3580 since 2005. Most of this increase has been due to the Prepayment or Opt-out of Project-based Section 8 complexes. Despite this increase in baseline vouchers, funding is still not adequate to support IHFA’s full baseline. For this reason, IHFA has continued to implement cost-saving measures in an effort to maximize our voucher resources and reach as many families as possible. Once RAD is approved, IHFA will offer Choice-Mobility voucher options to Shoshone Apartment residents. RAD requirements limits these vouchers to 15% per year the later of (a) 24 months after HAP execution date or (b) 24 months after move-in date.</p> <p><u>Improve the Quality of Assisted Housing</u> - The Section 8 program has been repeatedly rated “High Performer” under the Section Eight Management Assessment Program. Our public housing has rated High Performer and Standard Performer under the Public Housing Assessment Systems attesting to the quality management of both programs. IHFA continues to strive for customer satisfaction by holding landlord workshops for current and potential landlords, providing informational pamphlets and packets for applicants, participants, and landlords, and conducting customer service surveys. IHFA provides informational videos for landlords, participants, and FSS. IHFA has continued to significantly update its Public Housing scattered-site portfolio during this period and getting the homes ready to be sold to low-income families.</p> <p><u>Increase Assisted Housing Choices</u> - Assisted housing choices have been increased through voucher mobility counseling and ongoing outreach to potential area landlords through landlord workshops and mailings. IHFA reviews its Section 8 payment standards at least annually to ensure that everything possible is done to maximize lease up success rates. IHFA operates a voucher homeownership program with a limit of 40 vouchers available for this purpose. There are currently 25 families participating in the HCV Homeownership program and 41 have pursued this option since the program was implemented. IHFA was approved by Special Center for Applications (SAC) to implement a Section 32 Homeownership plan to dispose of the 29 single family scattered site homes located in Idaho Falls, Idaho. IHFA implemented the plan in November 2013 and to date has sold five (5) of the homes. IHFA now has 71 public housing units instead of 76 units.</p> <p><u>Promote Self-Sufficiency and Asset Development of Assisted Households</u> - IHFA maintains a very successful Family Self Sufficiency program with current enrollment at 174 participants. Between 2005 and 2014, 394 graduated from the FSS program and 107 purchased homes using their escrow. FSS Specialists help families to identify goals and overcome obstacles to self-sufficiency through appropriate referrals to community organizations, services, and education in order for them to become free of welfare and achieve self-sufficiency through employment. In 2011, IHFA partnered with the Home Partnership Foundation to create the Home Ownership Provides Economic Stability (HOPES) program which assists families currently enrolled in the FSS program. The focus of the program is on families whose goal is homeownership within 18 months of enrollment. FSS Specialists assist participants by providing homeownership education, in-depth financial planning, monthly savings deposits, and attending a Finally Home! Class. The HOPES program also provides a two-to-one match to the participant's savings up to a total of \$6,000 at the successful completion of the program.</p> <p><u>Ensure Equal Opportunity and Affirmatively Further Fair Housing</u> IHFA continues to strive to ensure equal opportunity in housing by undertaking affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability. IHFA provides program participants with written literature on fair housing and assists, when requested, in referring program participants to fair housing resources. IHFA provides all of its key Rental Assistance documents in Spanish, and continues to expand the number of forms and letters translated. IHFA now offers its entire Briefing Packet in Braille. IHFA provides Participant, Landlord and FSS videos, which, along with program pamphlets, are offered in Spanish. IHFA has an LEP Plan and offers readily available translation service in the Boise office as well as each of its branch offices. LEP needs are assessed on an ongoing basis to identify areas that have not been addressed.</p>

6.0	<p>PHA Plan Update</p> <p>(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission: IHFA has not made any significant revisions or amendments (as defined in Section 10(b)) to the PHA Plan since the last submission, except as stated in this PHA Plan. IHFA policies and procedures are detailed in the Section 8 Administration Plan and the ACOP.</p> <p>(b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions. IHFA maintains a copy of the PHA Plan, including the power point presentation at the following locations: IHFA main office at Boise, Idaho IHFA Branch Offices – Coeur d’Alene, Idaho Falls, Lewiston and Twin Falls, Idaho</p> <p>(c) As part of Rental Assistance Demonstration (RAD) conversion, IHFA is required to revise the PHA Plan to include detailed information regarding RAD conversion. IHFA has applied and been approved for RAD conversion at Shoshone Apartments located in Kellogg, Idaho. This amendment applies only to the Public Housing program and only to Shoshone Apartments. The RAD-Specific Amendment is attached to this PHA Plan as IHFA Agency Plan 2015 - Attachment C. IHFA will follow PHA Plan revision requirements including public hearing regarding the revision and obtain board approval for the revision. Revised August 2015.</p> <p>6.13 VAWA – IHFA implemented a written VAWA plan in 2007 and we are committed to ensure the physical safety of victims of actual or threatened domestic violence, dating violence, or stalking who are assisted by IHFA. We will provide and maintain housing opportunities for these types of victims and collaborate with law enforcement authorities, victim service providers and other service providers to promote the safety and well-being of victims of actual or threatened domestic violence, dating violence and stalking. As outlined in our VAWA plan, IHFA will not deny assistance to victims and will not terminate assistance of victims due to verifiable domestic violence, dating violence and/or stalking as defined in our VAWA plan.</p>
7.0	<p>Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. <i>Include statements related to these programs as applicable.</i></p> <p>7.b Disposition – IHFA is proceeding with disposition of all 76 public housing units, we currently have 71 public housing units after selling five (5) homes. SAC has approved the Section 32 Homeownership plan for IHFA’s single family homes in Idaho Falls. See Attachment A for additional information.</p> <p>7.d Homeownership –</p> <ul style="list-style-type: none"> • IHFA has been approved and has implemented the Section 32 Homeownership program for the single family scattered site homes in Idaho Falls. To date, five (5) homes have been sold. • IHFA currently offers a Housing Choice Voucher program for which 40 vouchers have been allocated. Since implementation, forty-one (41) families have taken advantage of the homeownership option. IHFA will continue to periodically hold informational meetings for interested voucher holders until all 40 vouchers have been filled. <p>7.e Project-based Vouchers – IHFA is proposing to provide project-based voucher assistance if deemed appropriate as part of a Housing First Pilot Program. If IHFA, after conducting a feasibility analysis, determines that a Housing First project pilot is warranted, and if project-based vouchers are included in the program design, IHFA will provide those vouchers. These vouchers will not to exceed 20% of IHFA’s budget authority and will be located within IHFA’s Housing Choice Voucher jurisdiction. Housing the homeless using project-based vouchers will better allow IHFA to support the goal of poverty deconcentration as well as expanding housing and economic opportunities. Project-basing assistance is consistent with our PHA Plan because it would increase quality affordable housing options for low and very-low income households and other targeted populations especially in rural areas of Idaho.</p>

Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

NOTE: IHFA Waiting list numbers include all household members for disability, elderly and race, not just the HOH. Income is calculated by household.

9.1 Strategy for Addressing Housing Needs. Provide a brief description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. **Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.**

Idaho Housing and Finance Association (IHFA) will strive to address the needs of those families within our jurisdiction and on our waiting list by effectively and efficiently managing our public housing and Section 8 Housing Choice Voucher programs. We will analyze the payment standards used in the Section 8 program to ensure that they are adequate, but also allow us to reach as many families (up to our baseline of 3,580) as possible given budget restrictions. IHFA will apply for additional voucher funding opportunities when available and when it is determined that the available vouchers are appropriate to our program and adequate staffing is available to support additional vouchers. IHFA will continue to build its Voucher Homeownership program to the maximum set-aside of 40 vouchers. IHFA markets the Housing Choice Voucher program through landlord workshops, a landlord video, Section 8 video, service provider coordination, media stories and its website. We continually assess our program to identify areas for improvement in order to provide the families we serve with a solid and well-managed program.

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA’s progress in meeting the mission and goals described in the 5-Year Plan. **SEE #5.2**

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA’s definition of “significant amendment” and “substantial deviation/modification”

Revisions to the Capital Fund budget, minor revisions or clarifications to existing policies or procedures, and/or minor discretionary administrative amendments consistent with the Association’s stated overall mission and basic objectives will not be considered substantial deviations or significant amendments or modification to the PHA Plan.
