Voluntary Sale Disclosures

This letter is to inform _____ [Seller(s)]
that _____ [Buyer] would like to purchase the property
located at _____ [Property Address]. A description of the prop-
erty to be acquired (including and buildings that are considered a part of the property):

The Buyer is prepared to pay \$ _____ for clear title under the conditions described in the attached
purchase and sales agreement.

Upon acceptance of the purchase offer, the property shall be appraised to establish fair market value. The
owner/owner's agent will be given the opportunity to accompany the appraiser during the appraiser's inspec-
tion. If the appraised value differs from the purchase offer, the owner has the right to withdraw from the pro-
posed sale.

Negotiations may result in a purchase price that is for the original estimated fair market value, an amount that
exceeds it, or a lesser amount.

If the negotiated sales price is less than appraised market value, is the seller willing to donate the difference to
affordable housing, to help provide HOME Match?

The Seller acknowledges that he/she has received notice of the fair market value and chooses to donate a por-
tion of the value to the project by selling property at a lower price as a donation to affordable housing in the
amount of \$ _____.

Because Federal funds are anticipated in the purchase of this property, the following must be disclosed:

- 1) This sale is voluntary, neither the buyer nor the seller has the power of eminent domain or condemnation;
- 2) Buyer cannot acquire this property if negotiations fail to result in an amicable agreement;
- 3) Since the purchase is voluntary and considered an arm's length transaction, the owner(s) is not eligible for
relocation benefits, or any other assistance under the Uniform Relocation Assistance and Real Property Ac-
quisition Policies Act of 1970 (URA);
- 4) Buyer will make *every reasonable effort* to acquire the property expeditiously by negotiations; and
- 5) The property is not part of an intended, planned, or designated project area where all or substantially all of
the property within the area is to be acquired within specific time limits;

search for alternative sites to a geographic area;
