

Sample MANAGEMENT PLAN

The following are used to evaluate the overall method of management and maintenance. If project sponsor contracts with a management entity, state the name of the entity and supply the information requested based on their experience. If this does not adequately cover the management plan, please submit additional materials (the application will be scored, in part, on the adequacy of the management plan). The management plan as submitted with the application will become a part of the HOME Compliance and management agreement.
