MANAGEMENT PLAN**

The following items are used to evaluate the overall method of management and maintenance. If a project owner contracts with a management entity, please state the name of the entity and supply the information requested based on their experience. If this section does not adequately cover the management plan, please submit additional materials (the application will be scored, in part, on the adequacy of the management plan).

The management plan as submitted with the application will be approved by the HOME Compliance Department.
