This letter is to inform \_\_\_\_\_ [Seller(s)]  
 that \_\_\_\_\_ [Buyer] would like to purchase the  
 property located at \_\_\_\_\_ [Property Address]. A description of prop-  
 erty to be acquired (include any buildings that are considered a part of the property) \_\_\_\_\_

The Buyer is prepared to pay \$ \_\_\_\_\_ for clear title under the conditions described in the attached purchase and sales agreement.

Upon acceptance of the purchase offer, the property shall be appraised to establish fair market value. The owner/owner’s agent will be given the opportunity to accompany the appraiser during the appraiser’s inspection. If the appraised value differs from the purchase offer, the owner has the right to withdraw from the proposed sale.

Negotiations may result in a purchase price that is for the original estimated fair market value, an amount that exceeds it, or a lesser amount.

If the negotiated sales price is less than appraised market value, is the seller willing to donate the difference to affordable housing, to help provide HOME Match? *[If the Seller wishes to discount the sales price below appraised value as a donation to affordable housing, please include the "Acknowledgement of a Discounted Price" Form #2 with this form.]*

The Seller acknowledges that he/she has received notice of the fair market value and chooses to donate a portion of the value to the project by selling the property at a lower price as a donation to affordable housing in the amount of \$ \_\_\_\_\_.

Because Federal funds are anticipated in the purchase of this property, the following must be disclosed:

- (1) This sale is voluntary, neither the buyer nor the seller has the power of eminent domain or condemnation;
- (2) Buyer cannot acquire this property if negotiations fail to result in an amicable agreement;
- (3) Since the purchase is voluntary and considered an arm’s length transaction, the owner(s) is not eligible for relocation benefits, or any other assistance under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA);
- (4) Buyer will make *every reasonable effort* to acquire the property expeditiously by negotiation; and
- (5) The property is not part of an intended, planned, or designated project area where all or substantially all of the property within the area is to be acquired within specific time limits;
- (6) No specific site or property needs to be acquired, although the person or agency (buyer) may limit their search for alternative sites to a geographic area;
- (7) If buyer wishes to purchase more than one site within a general geographic area, all owners will be treated similarly.
