This letter is to inform _________________________________ [Seller] that _________________________________ [Buyer] would like to purchase the property located at _________________________________ [Property Address]. A description of property to be acquired (include any buildings that are considered a part of the property) _________________________________

The Buyer is prepared to pay $________________ for clear title under the conditions described in the attached purchase and sales agreement.

Upon acceptance of the purchase offer, the property shall be appraised to establish fair market value. The owner/owner’s agent will be given the opportunity to accompany the appraiser during the appraiser’s inspection. Negotiations may result in a purchase price that is for the amount of the original estimated fair market value, an amount that exceeds it, or a lesser amount.
Exhibit O

If the negotiated sales price is less than appraised market value, is the seller willing to donate the difference to affordable housing, to help provide HOME Match? [If the Seller wishes to discount the sales price below appraised value as a donation to affordable housing, please include the “Acknowledgement of a Discounted Price” Form #2 with this form.]

The Seller acknowledges that he/she has received notice of the fair market value and chooses to donate a portion of the value to the project by selling the property at a lower price as a donation to affordable housing in the amount of $___________.

5. The property is not part of an intended, planned, or designated project area where all or substantially all of the property within the area is to be acquired within specific time limits;
6. No specific site or property needs to be acquired, although the person or agency (buyer) may limit their search for alternative sites to a geographic area;
7. If the Buyer wishes to purchase more than one site within a general geographic area, all owners will be treated similarly.

Dear ______________________ (Current Tenant(s))

On ______________________ (date), ______________________ (buyer’s name) entered into an agreement with ______________________ (seller’s name) to purchase the property you currently occupy at ______________________ (tenant address)

When the negotiations are complete and the sale of the property is final, certain improvements may be made to your unit. Because part of the funding may come from federal sources, this notice is required to inform you of your rights under federal law.

If, when the new owner acquires the property, you are required to move out of the entire project, you may be eligible for relocation assistance under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended.

If the property is acquired and you are required to move from the entire property and are eligible for relocation assistance, you will be notified of advisory services, which will include referrals to replacement housing.

If you are required to move from the entire property a 90-day advance written notice of the date you will be required to move out must be issued.

If you are required to move from the property, you may be eligible for expenses as defined under the Uniform Relocation Act and may be eligible for financial assistance to help you rent a replacement home. This unit must be comparable to your current residence.

Please note, if anyone moves in with you after you’ve received this notice, your assistance may be reduced.

YOU DO NOT MOVE AT THIS TIME

You are urged to continue to pay your monthly rent and meet all other tenant obligations. Failure to do so may be good cause for eviction and a loss of relocation assistance.

I understand this is not a notice to vacate the unit.

SAMPLE NOTICE OF NON-DISPLACEMENT LETTER

Dear Tenant:

On (date), (buyer) entered into an agreement with (seller) to purchase the property you currently occupy at (address). When negotiations are complete and the sale is final, certain improvements may/will be made.

This notice is to inform you that you will not be displaced from this project. Therefore, you are urged not to move anywhere at this time. (If you elect to move for reasons of your own or are evicted for good cause, you will not be provided relocation assistance.)

You are able to occupy your present apartment (or another suitable, decent, safe, and sanitary apartment in the same building). You must comply with standard lease terms and conditions.

If you are required to move out of your apartment temporarily so that rehabilitation can be completed, suitable housing will be provided during that period of time. You will be reimbursed for reasonable additional expenses, including moving costs and any increase in housing costs.

If your rent is increased, your new rent (including the estimated average monthly utility costs) will not exceed 30% of the gross income of all adult members of your household.

Again, we urge you not to move. When the sale is final, please be assured we will make every effort to accommodate your needs. If you have any questions, please contact
