Avenues for Hope Housing Challenge **Please Give**

Donate to Avenues for Hope

Dear Reader,

We know that we live in a caring community where safe and affordable housing is a critical need. A home provides a foundation where families can not only survive, but thrive. With all the joy of the holidays, there are still Idahoans struggling to have a place to call home and over 4,000 of them are experiencing homelessness. What can you do?

- Visit www.avenuesforhope.org
- Browse through the categories or services provided or the nonprofits listed on the [Leaderboard](#) to learn about the important work being done
- Donate a gift of \$25 or more before midnight December 31 to enhance the resources available to help our neighbors in need.

It's that simple and will mean so much to the people who need it most. Please consider giving through Avenues for Hope and please share this opportunity with friends and family. If you've already donated, thank you for your generosity.

Sincerely,

Deanna Ward, Home Partnership Foundation
