

The seventh annual Avenues for Hope Housing Challenge will provide critical resources to 50 nonprofit housing providers to ensure Idahoans in need have access to safe, stable, affordable housing, and supportive services. Over \$1,472,000 has been disbursed since the campaign was created by the Home Partnership Foundation in 2011.

The three-week online campaign uses a dedicated website (*avenuesforhope.org*) and unique donation pages for each nonprofit participant. Local businesses and individuals across the state are encouraged to make gifts of \$25 to the nonprofits of their choice.
