- Support programs and services
- Housing options available in your area*

*Contacting an Access Point does not guarantee placement or eligibility for housing.

HOW ARE MY HOUSING NEEDS DETERMINED?

You will be asked a series of questions that will help evaluate and prioritize your housing needs. Depending on your responses, you may need to answer additional questions to determine the best housing solution for you.

WHEN WILL I BE PLACED IN HOUSING?

How quickly you can be placed into housing depends on your needs and the availability of housing in your area. Since you may have to wait for a housing solution, the Access Point may reach out periodically to see if your housing needs have changed.
