

Please complete the direct deposit form and return with a voided check (for a checking account) or deposit slip (for a savings account). This is now a mandatory part of our program. If you choose not to enroll in the direct deposit, please do not complete the lease with the tenant. We will not be able to enter the lease for payment without the direct deposit enrollment. This is for deposit only and we cannot debit your account for any reason. We will be contacting you soon about our new web-based landlord portal, Rent Café.
