"The 2017 response has been overwhelming and we thank all the generous donors for their gifts, which will help many of the state's homeless during this winter season," said Gerald M. Hunter, president of Idaho Housing and Finance Association. "We were encouraged to see so many Idahoans come together during this holiday season to help make a difference for those who are homeless. It's been an exciting campaign, the results of which will have a long-lasting impact on our community."
