Company Name to be Exact on Note and Endorsement

Effective Feb. 1, 2015, the company name endorsement must match exactly to the Original Note.

If they do not match, the loan will be pended and not purchased until the endorsement is corrected.

Also anything handwritten on the endorsement must be initialed.

The effective date of Feb. 1, 2015 should allow sufficient time to order new stamps if necessary.

For more information, please contact us at resloan@ihfa.org or call 1.800.219.2285.
