## **NEW ITEMS:**

- **Committee Roll Call and Approve March minutes**
  - **Motion to approve: Steve; Seconded: Amber; None Opposed**
- **PIT Count Report – Final Numbers**
  - **%4 increase overall.**
  - **Jenn noticed unsheltered individuals went down, unsheltered households without children went down, but unsheltered households with children went up. It's difficult to count these households because they are typically hidden- those regions that are able to get out into these rural areas have seen an increase.**
  - **Sheltered count went up just a little.**
  - **Jenn is going to go forward and submit it to HUD.**
  - **If interested, the HMIS team has a spreadsheet with total counts for all surveys returned: unsheltered, sheltered, and precariously housed. Jenn will email the spreadsheet to everyone.**
  - **Motion to accept the PIT count as presented in the spreadsheet attached to email:**
    - **Motion to approve: Donna; Seconded: Amber; None Opposed**
- **Post Count Surveys – Return for stipends**
  - **Some were returned, if everyone could resend them, so we can begin to get checks out.**
- **COVID-19 Update**
  - **Information has gone out to Executive Directors at agencies.**
  - **Idaho got an additional 3.8 Million dollars through the CARES act.**
  - **An increase for Homeless Prevention for those who have lost their jobs or evictions.**
  - **Additional money available from our HPF and Wells Fargo.**
  - **Still determining how it's going to be split up.**
  - **Some of the funding requirements have been loosened.**
  - **Please watch for communication regarding details as they are available.**
  - **Jenn will forward contact information to Lisa for those people who are not receiving these emails. Or please email Lisa Steele at [LisaSt@IHFA.ORG](mailto:LisaSt@IHFA.ORG) directly for more information.**
