

Program Bulletin 2021-1

Idaho Heroes 2.125% Rate May be Going, Going, Gone...

If you have eligible borrowers on the fence, now is the time to get those locked, as the 2.125% rate may not last much longer.

This program is an excellent option for any first responders, essential workers, educators, and military who meet the First Loan program requirements.

Thanks to a generous donation from the Micron Foundation in conjunction with the Home Partnership Foundation, our Idaho heroes can receive a gift of \$1,000 to use toward their closing costs. No repayment of this gift is required. This is in addition to up to 7% of DPCC available when using The First Loan.
