Repurchase Forums

Repurchase demand is up! Due to the sharp increase in repurchase demands, Idaho Housing will begin offering regular repurchase forums for processors, underwriters, and any others who would like to attend.

These will be open forums where we will outline and discuss issues Agency is finding within loan files. As your lending partner, it is important that we keep you informed of not only Agency requirements and findings, but also trends impacting current and future underwriting.

These forums will be presented as often as possible, with at least a few each month. The first two sessions are scheduled for July 31 and August 14. Watch for additional sessions and sign up for the one that fits your schedule best at the link below.
