

- a. Mail
 - b. Laminated 4x4 card
 - b. *Goal 2: Focus on who is staying in COC Permanent Housing for long periods of time*
 - i. Discussion
 - 1. Anne discussed:
 - a. Sees it as case manager responsibility
 - i. Extended of period of time that these clients will be in the unit
 - 1. As a case manager, she teaches they can have their place until they die
 - b. The goal is going to apply for whatever resources are available
 - i. Section 8
 - ii. Case manager
 - iii. Permanent housing
 - c. This would mean a mind shift at agency level
 - i. Start from case management
 - ii. What's going to be their best option
 - 2. Melissa stated:
 - a. To me, PH means forever housing and case management
 - b. Perhaps, committee can review clients on PH?
 - i. To make sure they are in the appropriate program
 - ii. Every three years?
 - c. Safety concerns for clients in PH?
 - i. Perhaps, assisted living would be better?
 - 3. Anne discussed:
 - a. Yearly seems like a lot to review
 - b. Participants and case managers need to work towards a certain goal
 - i. What should that goal be?
 - 4. Maureen considered that:
 - a. We might focus on the wording of the goal
 - i. Needs to be worded better
 - b. Focus on making sure those who enter in a PSH program are those who should enter the program
 - i. CE in BOS will help us accomplish this
 - ii. For clients that do not quite fit in PSH, move clients into RRH
 - c. Other focuses could include
 - i. Adding units of PSH
 - ii. Maintaining units and trying to add
 - iii. Moving people out? Should use in highest and best way
 - 1. Adding or making sure it's a right fit
 - 2. Lighter touch?
 - ii. Final: SPC will focus on who's entering PH programs and adding more units
 - c. *Goal 3: Figure out what is happening after two years of being housed back to homelessness*
 - i. Discussion
 - 1. Andrea

- a. Discussed bullet points on agenda
 - i. What research do we need to do on this?
 - 1. I.e. what information do we need to know to help make this item actionable that we do not have now
 - 2. Anne
 - a. What do you mean research?
 - i. Clarified in 1.a.i.1. above
 - b. Two years and back
 - i. Most of what she sees are clients returning to behaviors'
 - 1. Alcohol abuse
 - 2. Drug abuse
 - 3. Not staying on meds and not following behaviors
 - 4. Not so much employers
 - a. Except big employers leaving rural areas
 - ii. Don't see how we can help with this issue
 - 1. Leave the door open
 - 2. Reach out anytime they want
 - a. Only reach out in crisis situations
 - c. Table this to later?
 - ii. Will discuss next meeting
 - 1. Significant relapse?
 - 2. What can our action items be?
 - d. Goal 4: Advise Point in Time committee on macro factors influencing first time homeless numbers and numbers of homeless people overall?
 - i. Discussion
 - 1. Andrea
 - a. Talk about it next meeting
 - b. Bring some research forward
 - e. Goal 5: Break Length of Time Homeless down by region and population
 - i. Discussion
 - 1. Andrea
 - a. Talk about it next meeting
 - b. Bring some research forward
 - f. Final Comments:
 - i. Melissa
 - 1. Before our meeting, can Andrea send out a "this is what we need to talk about" to brainstorm?
 - ii. Andrea
 - 1. I will include brainstorm points to discuss
 - iii. As a committee, we need to measure the outcomes of evolution
 - 1. These are going to be important and worthwhile for us to check
 - 2. Do not ignore, talk about and come up with ideas
 - a. Do not have to have a breakthrough every meeting
5. Meeting adjourned at 9:45 am MST
