

Program Bulletin 2026-5

Final Day to Lock–Blue Light Special!

Thank you for the outstanding response to our Blue Light Special. Due to your strong participation, and the significant demand from Idaho homebuyers, we have reached full capacity for this promotion.

As a result, **today will be the final day of the Blue Light Special.**

Lenders may continue to lock any remaining eligible loans **through the end of today**. After close of business, the special pricing will conclude, and no additional locks will be accepted under this program.

We're grateful for your continued partnership and the work you do to help expand homeownership opportunities across Idaho. The success of this initiative is a direct reflection of your impact in the communities we serve.

If you have loans in process that you intend to place under the Blue Light Special, please be sure to submit and lock them before the end of the day.

Thank you again for your partnership and support.
